Bear, Delaware 19701

Dear Mrs. Wagner:

The purpose of this letter is to respond to your request for a resolution to the water problem you are presently experiencing. I believe Mr. Madora's letter to you, dated June 14, 1976, outlines the County's position and I suggest until the matter is resolved between the County and the owners and operators of the landfill, that we are not in a position to further respond to your request.

I trust the above is satisfactory to you; however, should you have any questions, please feel free to contact me.

Very truly yours,

*Joseph J. Farnan, Jr.*
